

# NOROTON HEIGHTS STATION AREA STUDY

---

## COMMUNITY VISIONING SESSION

### You're invited!...

The Western Connecticut Council of Governments (WestCOG) and the Town of Darien are hosting a public information meeting for the Noroton Heights Station Area Study on:

Thursday, May 11, 2017  
7 p.m. to 9 p.m.

Darien Town Hall, Room 206  
2 Renshaw Road, Darien, CT

Darien residents, businesses, commuters and other local stakeholders are encouraged to attend this meeting to learn about the study and share their insights and concerns about transportation around the train station in Noroton Heights.

### Community Participation is Key...

This event will provide citizens an opportunity to talk with members of the project team including WestCOG and Town of Darien representatives, as well as planners from the NV5 consultant team. Attendees will be encouraged to participate in a discussion to give the project team a better understanding of existing challenges, transportation needs, and local priorities as they relate to walking, driving, biking, and commuting in the study area.

Community participation is a key component of the Noroton Heights Station Area Study as it will help focus the study efforts and shape recommendations and strategies for the future of transportation around the Noroton Heights Station Area.

### About the Noroton Heights Station Area Study...

- The study is being developed by WestCOG in coordination with the Town of Darien and the Connecticut Department of Transportation.
- The study area is approximately half of a mile around the Noroton Heights train station.
- The purpose of this study is to develop recommendations to enhance:
  - Mobility, accessibility and safety
  - Station area parking
  - Traffic operations
  - Pedestrian and bicycle environment
