*<u>Financial Notes of Interest</u>: (1) Negative revenue variances are the result of fluctuations in the timing of consultant invoices on various projects, and do not indicate a 'lack' of or underbilling of revenue sources. Variances may fluctuate on the expense side as well due to changes in staffing and timing of expenses. (2) Surplus amounts partially reflect we are invoicing our grants at a burden, fringe and overhead (BFO) rate that is too high, and at fiscal year end may owe money back to grantors at the conclusion of our annual audit. (See 'Due back to State')

Local Transportation Capital Improvement Program (LOTCIP) Project Selection Process FY 2018-2021 Project Solicitation

1. **Objective:** This document lays out the process for project selection under the region's Local Transportation Capital Improvement Program (LOTCIP), guiding the selection of new projects as well as changes to existing projects. It is the goal of WestCOG to program funds in a manner that is orderly, equitable, and beneficial to the region.

2. LOTCIP Background: LOTCIP provides state funding for a variety of municipal transportation capital improvements, including: bridge rehabilitation and replacement; road reconstruction; intersection improvements; traffic signals; streetscapes; sidewalks; multi-use trails; and pedestrian bridges.

3. Eligibility: Projects must adhere to CTDOT's revised <u>LOTCIP Guidelines</u> dated March 2016 and including any future revisions.

- Projects must be located on roads classified as collector or arterial (see exceptions for bridge and transportation alternatives projects).
- Minimum project construction cost is \$300,000.
- Pavement preservation/rehabilitation and stand-alone sidewalk projects are capped at a maximum of 15% (combined) of annual LOTCIP funding to the region (15% = about \$1.6 million per year).
- Bridge improvements on roads classified as local are eligible if the span length is 20 feet or greater.
- Transportation alternatives projects (typically bicycle and pedestrian improvements, such as multi-use trails) are eligible, and are not required to be located on collector or arterial roads. Although a specific cap has not been established, the amount of regional funding allocated to such projects is expected to be limited.
- Eligible applicants are the eighteen municipalities that comprise the Western Connecticut Council of Governments (COG).

4. Available Funding: is determined by using proposed statewide LOTCIP funding of \$62 million in FY 2018 and \$64 million per year in FY 2019-2021, reserving a 25% contingency, and accounting for existing project commitments. Exact numbers are subject to change.

Based on the above, the region anticipates that a total of approximately \$29.1 million FY 2018-21 will be available for funding new projects in the region.

Funding for new projects will be allocated by <mark>(subregion or total WestCOG region). {COG to select funding</mark> <mark>allocation method}</mark>

Further detail is provided as follows, and a list of current project allocations is attached for reference:

* Net of 3% admin. costs and 25% reserve for cost increases

1. Assumed Statewide LOTCIP Funding = \$62 million FY 18 and \$64 million per year FY 19-21

<u>Maximum Project Award</u>: To maximize the number of projects and municipalities that can participate, a maximum cost of \$2,500,000 per project is recommended, however, higher project costs may be recommended by the Technical Advisory Group (TAG) and approved by the COG.

<u>Outer Years Funding</u>: Projects programmed for FY 2020 and 2021 funding may not initially advance LOTCIP projects until confirmation is received that CTDOT will accept associated project materials (e.g., applications and design submissions) prior to adoption of the FY2020-21 state budget. FY 2020 and 2021 are included to assist member municipalities by aligning to their capital planning process.

5. Project Prioritization and Selection Criteria: Priority may be given based on the following considerations, subject to TAG recommendation and COG approval:

- Adherence to CTDOT LOTCIP Guidelines
- Regional significance
- Readiness to proceed which may include, but is not limited to:
 - o Municipal track record of successfully advancing LOTCIP projects
 - Project complexity and design status
 - Critical path concerns: such as anticipated permitting, rights of way (ROW), and utilities
- Existing unfunded regional/MPO priorities
- Safety
- Bicycle and pedestrian improvements
- Mobility and connectivity to existing transportation systems
- Equity

6. Project Review and Approval Process

- <u>Municipalities submit projects:</u> for consideration using the WestCOG Project Proposal Summary form.
- <u>Staff reviews projects:</u> for LOTCIP eligibility, and to confirm purpose and need, cost, etc.
- <u>Staff evaluates projects:</u> using the project prioritization and selection criteria.
- <u>TAG review:</u> of projects and recommends projects proposed to be funded to the COG.
- <u>COG review and approval</u>: of TAG project recommendations, with discussion and revisions as warranted.

7. Municipal Responsibilities

- <u>Commitment</u>: The Chief Elected Official shall commit to the project in writing, including commitment to fund design.
- <u>Match Funding</u>: LOTCIP provides up to 100% funding for ROW and construction. Design costs are the responsibility of the municipality.
- <u>Quarterly Reporting</u>: Each municipality shall provide quarterly reports to WestCOG staff and the TAG regarding design progress and construction expenditures and schedule. Report dates are: September 30, December 31, March 31, and June 30.

8. Program Adjustments and Financial Details

- <u>Cost Containment Policy</u>: Any increases in project cost, above the amount allocated by the COG, will require the municipality to either:
 - Pay the difference using town funds, or
 - Request TAG review and COG approval to program additional LOTCIP funding (if sufficient unallocated funds exist) or adjust the project schedule or reprogram as needed.
- Scope Changes:
 - COG staff shall be informed of changes to project cost, scope of work, or priority as soon as possible. Depending on the type and magnitude of change, TAG review and COG approval may be required. Changes required by CT DOT review comments will generally be given priority in allocating additional funds. The TAG may recommend and the COG may periodically adjust project scopes of work, funding allocations, and schedules based on revised cost estimates and other information that becomes available during design. Municipally-driven requests for increases in the scope of work of projects will be reviewed on a project by project basis.
- Delays, Schedule Adjustments, and Reprogramming:
 - Delays: in schedule may result in a recommendation by the TAG and action by the COG to adjust project schedules or reprogram funds. Such consideration will be on a project by project basis, depending on the reason(s) for delay and impact to the overall programming of LOTCIP projects. Projects will be considered delayed, and will be subject to a mandatory project review by the TAG, if LOTCIP Applications are not submitted to CTDOT within 4 months from allocation of funds for the project by the COG and if Final Design Submissions are not made within 24 months from CT DOT issuance of a Commitment to Fund.
 - **Schedule Adjustments:** Allocated FY2018 & 2019 funds will be used on a first come, first serve basis. Projects programmed during this period experiencing delays referenced above may be adjusted to outer years to accommodate projects that are advancing more rapidly. Such efforts are required to obligate available funding and sustain overall program health.
 - Reprogramming: Projects determined ineligible by CTDOT, those cancelled by the sponsoring municipality, and/or those experiencing delays may be removed from the program by TAG recommendation and COG approval. Their allocations will be returned to the program and made available for other program efforts, such as cost increases and/or new projects. It is expected that priority consideration in reallocation of funds from cancelled projects will be given to the sponsoring municipality.

Western Connecticut COUNCIL OF GOVERNMENTS

TO:	COG/MPO Members
FROM:	Francis R. Pickering, Executive Director
DATE:	November 9, 2017
RE:	Proposed COG bylaws/MPO operating procedure amendments

Description

The following changes are proposed and, if preliminarily approved, will be added to the agenda for a final vote at the December MPO and/or COG meetings, as applicable.

Amendment 1

It is proposed to amend the *Article B: MPO Officers* of the HV/SWRMPO operating procedures thus:

At the last **first** meeting of the MPO in odd **even** numbered calendar years, nominations for chairman and vice chairman shall be made from the floor by voting members of the MPO. Once nominations are closed the chairman shall call separate votes to elect each officer. Election to each office shall be by a majority of the members or their alternates present and voting.

or to amend Article VI: Representation and Meetings of the WestCOG bylaws thus:

3. Annual Meeting. Unless otherwise specified by resolution of the Council, the annual meeting shall be held in January <mark>December</mark> of each calendar year for the purpose of electing officers.

This change will ensure that elections of COG and MPO officers will take place at the same time, rather than in different months.

Amendment 2

It is proposed to amend Article X: Other Council Committees of the WestCOG bylaws thus:

"The Council may establish by resolution, in addition to the Executive Committee required under Article VIII of these Bylaws, such standing, special and advisory committees as it shall deem appropriate to support its comprehensive and functional planning duties and responsibilities.

In establishing any committee hereunder, the Council shall specify by appropriate resolution, the responsibilities of such committee including the period of time in which it shall be expected to act.

The Council may appoint, reappoint and remove members of any such committee and designate the Chairperson thereof and fill vacancies thereon or delegate any or all of such authorities to the Executive Committee or the Chairperson.

Any committee established hereunder by the Council may be abolished by the Council at any time. Any such committee may be comprised of Representatives to the Council or other persons as the Council may determine and appoint to serve on the committee.

The Council will appoint a subcommittee within sixty (60) days of the initial Western Connecticut Council of Governments (WCCOG) meeting to make recommendations on the organization structure, need, functions and benefits of a Regional Planning Committee.

This change will eliminate a section that no longer applies.

Western Connecticut Council of Governments

BYLAWS

WestCOG Foundation, Inc.

Article 1: Definitions

- **A.** Name. The name of the corporation shall be the WestCOG Foundation, Inc. (hereinafter the "Corporation").
- **B.** "Eligible Member" shall mean any Chief Elected Official of a municipality within the Region, who has become a Member of the of the Corporation in accordance with these Bylaws and the Executive Director of the Corporation.
- C. "Director" shall mean a member of the Board of Directors of the Corporation.
- D. "Region" shall mean the Connecticut municipalities Bethel, Bridgewater, Brookfield, Danbury, Darien, Greenwich, New Canaan, New Fairfield, New Milford, Newtown, Norwalk, Redding, Ridgefield, Sherman, Stamford, Weston, Westport, and Wilton.

Article 2: Board of Directors

- **A.** Eligibility. All Eligible Members may obtain and retain Membership in the Board of Directors of the Corporation, for as long as they qualify under the definition of an Eligible Member.
- B. Membership. To become a Director of the Corporation, an Eligible Member shall confirm his or her intent to become a Director to the universe of Eligible Members and Directors of the Corporation. Each Eligible Member's tenure as a Director of the Corporation shall continue until either said Member a) no longer qualifies as an Eligible Member or b) withdraws from the Board of Directors.
- **C.** Withdrawal. An Eligible Member may withdraw from the Board of Directors by formally confirming his or her intent to do so to the Chair of the Corporation.
- **D.** Operations. The activities and affairs of the Corporation shall be managed by its Directors.

Article 3: Executive Committee

- **A.** Establishment. An Executive Committee shall be drawn from the Directors of the Corporation. The Incorporator shall appoint the initial constituents of the Executive Committee.
- **B.** Title and Terms. The Executive Committee shall include the offices of Chairperson, Vice Chairperson, Secretary, and Treasurer ("Officers"), who shall be elected annually by a simple majority vote of the Board of Directors and shall serve in their office until their successors have been elected.
- **C.** Vacancies. In the event a vacancy occurs in any office during the year, a successor shall be elected by the Board of Directors to serve the unexpired term.
- D. Chairperson. The Chairperson of the Council shall be a duly elected Director. The Chairperson shall prepare meeting agendas and preside at all meetings of the Corporation, and in his or her absence, the Vice Chairperson will preside, and in the absence of the Chairperson and Vice Chairperson, a Director designated by the Chairperson shall preside.

- **E.** When so duly authorized by the Corporation, the Chairperson, the Vice Chairperson, or the Executive Director may sign contracts in the name of the Corporation. The Chairperson shall be an ex-officio representative on all commissions and committees.
- F. The Chairperson may call special meetings of the Corporation as specified in Article 4: Meetings.
- **G.** Vice Chairperson. At the request of the Chairperson or in the absence of the Chairperson, or should the Chairperson become incapacitated, the Vice Chairperson shall assume the powers and duties of the Chairperson. The Vice Chairperson shall have such other powers and perform such other duties as may be assigned to the Vice Chairperson by the Corporation.
- **H.** Secretary. The Secretary shall have the responsibility of verifying of and keeping minutes of the meetings of the Corporation and the Executive Committee as drafted by the staff of the Corporation. The Secretary shall see that all meeting notices are duly given in accordance with the provisions of the Bylaws and as required by law.
- I. Treasurer. The Treasurer, who shall be bonded in the amounts deemed necessary by the Corporation, shall receive all money, property and securities of the Corporation delivered to the Corporation.

Article 4: Meetings

- A. Regular Meetings. Regular meetings of the Corporation, of which at least one shall be held annually, shall be held at such times and places as may be established by the Corporation. Each Director shall be notified of a regular meeting at least seven (7) days before the meeting date. The notices shall include the place and time of the meeting and an agenda for the meeting.
- **B.** Special Meetings. Special meetings of the Corporation shall be held by call of the Chairperson or by petition to the Secretary of the Corporation from at least one-third of the Directors of the Corporation. Each Director shall be sent notice of a special meeting at least three (3) days before the meeting date.
- **C.** Voting List: The Directors of the Corporation shall fix a Record Date no more than thirty (30) days in advance of any meeting of the Corporation, as provided for in this article. If no Record Date is fixed, the date on which the meeting is noticed shall be fixed as the Record Date. The Record Date is effective as of the close of business on such date. All persons serving as Directors of the Corporation as of the Record Date shall be enumerated, and at that time a Voting List of their names and qualification to be a Member of the Corporation shall be compiled. These persons shall be entitled to vote at the meeting for which the respective Voting List was prepared; if such list is not included with the notice of the meeting, it shall be provided to the Directors at said meeting.
- **D.** Quorum. A majority of the persons on the respective Voting List for a meeting of the Corporation, or of the membership of a committee as of its meeting, shall constitute a quorum. All meetings of the Corporation or committees shall be conducted in accordance with the most recent issue of Roberts Rules of Order, except as for provided by these Bylaws.
- **E.** Action of the Corporation. Except for routine and administrative matters, only items included on the agenda shall be acted on at a meeting, except by the approval of two-thirds of the Directors present and constituting a quorum. Each Director shall be entitled to one vote at meetings of the Corporation. Except as otherwise provided, action of the Corporation shall require an affirmative vote of a majority of the Directors of the Corporation present, voting, and constituting a quorum.

Article 5: Committees

At any time, the Corporation may establish, modify, and disestablish standing, special and advisory committees as it deems appropriate.

Article 6: Fiscal Management

- **A.** Fiscal Year. The fiscal year of the Corporation for purposes of work program development, budgeting, accounting, auditing and fiscal reporting shall commence July 1.
- **B.** Funds and Contributions. Funds and contributions may be received by the Corporation for its own use from any public, non-profit, or private source deemed acceptable by a majority vote of the Corporation.
- **C.** Signing Authority. The Executive Director may apply for funding on behalf of the Corporation. In order to accept funding, the approval of the Board of Directors shall be required.
- **D.** The Chairman, Vice Chairman, Treasurer and Executive Director shall be the authorized signers on all bank accounts for the expenditure of Agency funds. Expenditures shall be made by check after approval vouchers are signed by any two (2) of the authorized signers of funds.

Article 7: Agreements

The Corporation may enter into agreements with public, non-profit, and private organizations for purposes it deems appropriate.

Article 8: Bylaw Amendment

Notice of any proposed amendment shall be sent to all Directors of the Corporation. Any proposed amendment to these Bylaws shall first be submitted to a regular or special meeting of the Corporation for consideration and only then, if preliminarily approved, placed on the agenda of the next succeeding regular or special meeting of the Corporation for formal adoption. These Bylaws may be amended by a vote of a two-thirds vote of the Directors of the Corporation at a regular or special meeting of the Corporation.
