

## IVES TRAIL PATCHES AVAILABLE

Hiking enthusiasts who have completed the Ives Trail from start to finish can apply for a free commemorative patch suitable for affixing to a jacket, backpack, or hat. To be eligible, simply provide the dates you hiked it, giving separate dates for each section finished. It is not necessary to complete the trail on consecutive hikes; the journey can span a time period of several months or years.

Please fill out the form below and send it to ITGRA c/o Tarrywile Park Authority, 70 Southern Boulevard, Danbury, CT 06810. Include \$1.00 for each patch requested to defray postage and handling costs. Additional donations are welcome and will be used specifically for trail maintenance.
