Informational Items
Community Connectivity Grant Program: WestCOG Principal Planner Kristin Hadjstylianos gave an update on the Community Connectivity Program, which seeks to improve safety and accommodations for bicyclists and pedestrians. This grant program will provide funding up to $600,000 for local municipalities for construction cost related to these projects. All engineering, design, etc. must be covered by the municipality. Grant applications are due to CTDOT by Friday, October 16th. If you have any additional questions, please contact WestCOG staff members.
**US DOT BUILD 2020 Grant Award:** WestCOG Principal Planner Kristin Hadjystylianos announced that WestCOG was awarded a Federal BUILD Grant for $400,000 to conduct a planning study to determine whether a regional value capture mechanism can be used on a regional, multi-jurisdictional level to generate the funds required to support improvements along the Danbury and New Canaan Branch Lines.

**ACTION ITEMS**

**Approval of 9/8/2020 Minutes:** After review and on a motion made by Greenwich Deputy Commissioner of Public Works James Michel and seconded by Weston Director of Land Use Tracey Kulikowski, the minutes of the September 8th meeting were unanimously approved.

**2018–2021 Transportation Improvement Program:** After a review by WestCOG Associate Planner Nicole Sullivan, Darien Director of Planning and Zoning Jeremy Ginsburg made a motion and was seconded by Westport Director of Public Works Pete Ratkiewich, to approve the HVMPO TIP Amendment #2020-1015: Intersection Improvements at Route 34 and SR 490 (Wassermain Way) as presented. After a discussion, the motion was later amended by Darien Director of Planning and Zoning Jeremy Ginsburg and seconded by Danbury Project Manager Tom Altermatt to move forward with the recommendation on the condition that the Town of Newtown confirm they agree with the change. This motion as amended was unanimously approved.

**2021–2024 Transportation Improvement Program and Air Quality Conformity:** The federal transportation improvement program and corresponding CTDOT air quality conformity determinations for the South Western Region MPO and Housatonic Valley Region MPO were discussed by WestCOG Associate Planner, Nicole Sullivan. Peter Ratkiewich, Westport Director of Public Works, stated that the administration of the Town of Westport has proposed the removal of Project #158-214 from the SWR Draft 2021-2024 TIP, pending forthcoming information based on the Environmental Assessment. This includes six line items, four of which are for the construction phase, and one each for final design and right of way. With the inclusion of the changes stated, a motion was made by Westport Director of Public Works Peter Ratkiewich and seconded by Weston Director of Land Use Tracey Kulikowski to recommend the amended SWR Draft FFY 2021-2024 TIP project listing, the HV Draft FFY 2021-2024 TIP project listing, and the corresponding air quality conformity determinations to the MPOs. The recommendation was unanimous.

**OTHER BUSINESS**

**Discussion Items as Raised by the TAG:** WestCOG GIS Analyst Tucker Beckett gave an update on the Stormwater mapping project. Tucker has currently started field work in the town of Brookfield.

**Future Presentations & Items of Interest:** There were none stated.

**UPCOMING MEETINGS/ADJOURNMENT**

The next TAG meeting will be held on November 10th. The next MPO and COG meetings will be held October 15th. On a motion duly made the meeting was unanimously adjourned at 11:30 am.
